When it comes to a perfect fusion of color, composition, and alluring design, this Hand-knotted Gray Blue Rug is the way to go. The 9 x 9 feet rug, made from pure Bikaner wool and silk is characterized by a soft, flattened pile and vivid hues. Its durable and hard-wearing properties make it a popular choice for any setting. Each rug is created in a way that it can easily blend in with your interior space, making it appear as if it has always been there. It is best placed in spots where traffic is high as it is a true show-stealer and conversation starter.

## HAND-KNOTTED COOL GRAY RUG

This Hand-knotted Cool Gray Bikaner Rug will add a dash of color and style to any home. The cool gray hues of this timeless design truly lend a sense of refinement to even the most stylish interiors. Rich in detail, the 100% Bikaner wool and silk rug is hand-knotted and intricately crafted to perfection, making it a valuable addition to your contemporary decor. With a comfortable pile height, the 10 x 10 feet rug is soft and plush, making it a delight to step on or admire from afar.

## HAND-KNOTTED DESSERT GRAY RUG

Add a bohemian touch to your living space with the Hand-knotted Dessert Gray Rug. This rustic design features a beautiful dessert terrain pattern and is hand-knotted with pure Bikaner wool and silk. The neutral base of grey provides a canvas for colorful accents and the addition of color with the pattern is a delightful change that adds life to your decor. As a charming inclusion to your living room, bedroom or den area, let this 10 x 10 feet Hand-knotted Dessert Gray Rug elevate your home to new levels of elegance and beauty.

## HAND-KNOTTED OCEAN BLUE RUG

Blue is a color of the expansive sky, the calming ocean, and the vast serenity of the planet. This Hand-knotted Ocean Blue Rug is soothing and excellent for the bedrooms and home offices that need a sense of calm.

Each 9 x 9 feet rug is a work of art, made from the finest materials. A perfect blend of modern designs and fine traditional craftsmanship, it is made of 100% pure Bikaner wool and silk yarn by traditional artisans using the hand-knotting method in exquisite detail. More than just a piece of art, this rug is a lifestyle statement.

## HAND-KNOTTED ABSTRACT GRAY RUG

This classic Hand-knotted Abstract Gray Rug is a lovely addition to any space, adding a touch of sophistication and warmth wherever it goes. Handmade in India by skilled artisans using the finest Bikaner wool and silk from Rajasthan, this beautiful piece with a comfortable pile height will last for decades and is a wonderful way to add texture to your space. The abstract and whimsical pattern on the 9 x 9 feet rug is great choice when you're looking for something that is a little more trendy, but also feels traditional.

## HAND-KNOTTED GRAY AND GOLD RUG

The warmth of Bikaner wool and the luster of silk blend harmoniously to create this Hand-knotted Abstract Gray Rug. It features a unique combination of colors in a hand-knotted construction that exudes the highest quality and craftsmanship. A piece that evokes an aura of opulent luxury and natural warmth, this 10 x 10 feet Bikaner rug makes a resplendent addition to any decor. It comes in a versatile color palette and a comfortable pile height that is sure to complement any home or office decor and is most suitable for use in high-traffic, spacious areas.

## HAND-KNOTTED GRAY CIRQUE RUG

Select this elegant Hand-knotted Gray Cirque Rug to complement your decor and give your room a timeless grace. Hand-knotted by the most elite artisans in India with a beautiful abstract texture, this rectangular rug measuring 10 x 10 feet will add visual interest to your decor with its classy circular pattern design. Made using high-quality Bikaner wool and silk, it has a soft, dense texture and a beautiful, warm gray hue - resulting in a gorgeous, unique, and focal piece of luxurious home decor. Its pile height and composition make it comfortable and warm to step on when indoors.

## HAND-KNOTTED MULTICOLOURED FLORAL RUG

This 10 x 10 feet Hand-knotted Multicoloured Floral Rug is embellished with traditional floral motifs crafted in high-quality Bikaner wool and silk yarns. The rug has a geometric floral pattern and comes in an amalgamation of stunning hues. The wool-silk blend adds to its comfort and durability, whereas the all-over yarn adds to its soft texture, thereby making it an essential part of any home interior. Woven in India by the most talented artisans, this is a long-lasting, durable accessory that adds to the beauty of your living space.

## HAND-KNOTTED MULTICOLOURED MATRIX RUG

This 10 x 10 feet Hand-knotted Multicoloured Matrix Rug is a sumptuous addition to your home decor. The intricate knotting of this rug is a testament to the hard work of the weavers who create it. Brought to you out of authentic Bikaner wool and silk and from artisans known for their time-honoured craftsmanship, this rug is a true work of art. It is an excellent way to add new dimensions to a spacious room or bring together the elements of a smaller room. Its vibrant colouring makes it a great choice for rooms with monochrome tones.

## HAND-KNOTTED MULTICOLOURED STRIA RUG

This Hand-knotted Multicoloured Stria Rug will instantly add an aura of class, elegance and beauty to your indoor living space. The rug showcases a spectacular flowing stripes design in abstract conditioning, crafted in an exclusive blend of pure Bikaner wool and silk by India's best artisans. A 10-mm pile height gives this rug a comfortable touch and adds a rich texture to your home. Available in a 10 x 10 feet size, this hand-knotted rug can effortlessly elevate your living room, bedroom or hallway.

## HAND-KNOTTED MULTICOLOURED LANDSCAPE RUG

The knotwork from India is universally admired for its beauty and intricacy because artisans have mastered the art of producing the most exquisite and colourful decorative rugs in the world. The Hand-knotted Multicoloured Landscape Rug draws from one such ancient design and is truly an aesthetic choice – whether you wish something modern or traditional. The quality of the wool-silk combination and the unique landscape patterns of this rug make it impossible for the eyes to skip over. The 10 x 10 feet rug is strategically designed to blend with modern rooms of all sizes.

## HAND-KNOTTED MULTICOLOURED WILDFLOWER RUG

With a design that is as comfortable, elegant and enduring as the region from which it originates, this Hand-knotted Multicoloured Wildflower Rug is a true work of art. Hand-knotted by expert craftspeople, the rug is crafted with the finest Bikaner wool and silk yarns. The 10 x 10 feet rug is dyed with a beautiful yellow erupting wildly in a sea of deep blue and black, which lends it an air of cheer, positivity, and resilience. Whichever part of your living space it takes up, it is sure to serve as a constant source of beauty and joy.

## NAVY BLUE RUG

The lovely base color of navy blue depicts the pattern of intertwining floral design in the center. The border displays a thick golden-like perimeter to give the rug a lavish view. Seeing details of berries and leaves gives a calmness of earthiness in your place. This will be a great rug to add to your house furnishings, your bedroom, or dining room. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## NATURAL SHADES RUG

Not a color person? No problem. This is a unique rug of light tones of gray and white with dark features. Instead of thinking of the "colorless" personality of this rug, we believe in more "eye-catching" shades of black and white. A gothic feel with a spectacular design is more than enough to snag this particular wool and silk rug. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## OMBRE DELIGHT

This rug reveals an ombre technique of blending light hues to darker hues of the beige and brown colors. This rug starts off with a specific and neatly placed pattern of the lighter tones in the design. As you move towards the end of the rug, you see the darker tones with a slight change in pattern. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## BLUE IVORY RUG

If you are a meticulous person, you will not take your gaze away from this rug. Within the rectangular design, you will notice many fine details in this pattern. Observe the blue border running around an ivory color center of different shapes, and outlines. A noteworthy rug that will exhibit your best centerpiece in your home. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## **GOLDEN EGGPLANT RUG**

Rich golden color rug with hints of reddish accents and an eggplant tint around the border. The pattern is simple yet oriented in design. Spot the various flowers on every part of the rug. The Golden Eggplant rug deserves to be in a home to a lover of flowers and unique decoration. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## **RUDDY RED RUG**

It's okay if you are not a fan of unbalanced and quirky patterns, as this is easy on the eyes and perfectly symmetrical is this deep maroon red rug. Notice the spesh of bold print on the border and center. This kind of rug would go great with rustic type furniture or any fixtures you see fit in your home. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 9x9 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## GOLDEN RUST RUG

Flawlessly symmetrical and the rich colors of gold and rust with this classy design is begging to be unveiled in your home. The arrangement of the golden borders are displayed in a way that the middle captures the center of attention. Imagining a nice dining table for your next event or family dinners is ideal to admire the attributes of this rug. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 9x9 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## RUST BLUE RUG

This is a fun and classy look upon glance, but the pop of the blueish color is what really makes this rug. As you see the diameter of the golden and orange duo, you also notice hints of green and blue. Moving your gaze towards the center is where the fun begins, valuing the big bold blue patterns that you will find hard to look away. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 9x9 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## DIAMOND RUST RUG

Multiple contrasting borders make this rug an interesting look with its dissimilar pattern of abstract details. The gold, red, and brown clash perfectly together creating a pleasant rug. The center of the rug reveals a large diamond shape with different hues of red and orange. Spruce of an area by placing it in your favorite spot. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 9x9 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## TROPIC MULTICOLOR RUG

For the love of shapes! If you love geometric patterns, this rug is for you. The multicolor of blue, red, green and beige make up one of these most beautiful rugs. Given this rug a tropical view for you in your home will go great with your like-colored or even neutral color furniture. A great pop of color for a great home. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## MULTI DELIGHT RUG

This rug is unmatched like any other. Looking for a fresh and new style for your home? This rug is just the thing. The uncanny colors of green, rusty red, and some hues of rosy pink is just the rug you need. An exquisite rug like this one will be great for an open area where you can relish in its delightful style. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## VERTICALLY FLORAL RUG

A rug that is neatly structured and easy on the eyes. Notice the beautiful red border highlighting the vertical pattern shaping the letter "H" towards the center. The small floral design details this fancy rug fitting for anyone who loves nature and shape formations. Don't be afraid of different layouts and designs, as this wrong is definitely a steal. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## GOLDEN ROYAL RUG

This bright and thick border will go unnoticed as it encases the rosy red centerpiece of flowers and leaves. This rug will change the entire look of any room you put this in. With its royal style and beaming colors, it is no wonder these rugs will go quickly. Place the rug in a room full of light and love and watch the magic happen. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## GLEAMING GOLD RUG

Bright, illuminating, and full of essence. This rug is artful in design with hints of brown shades to accent the different patterns going on here. The center sets out 4 particular shapes for a striking look for your furniture. Ideal to put narrow pieces of decor so that you don't hide this rich style, or have it in an open area to enjoy its charm. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## GOLDEN CHARCOAL RUG

This rug will brighten up a room to give it warmth and comfort to your home. The thick golden border displays its absorbing canvas as the coolness of charcoal shades peek through. Taking your gaze to the middle, you see deeper casts of charcoal gray with similar patterns. This rug will change the way you feel everytime you walk into the room. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## NOVEL RED RUG

Not your traditional rug, as you command the abstract pattern of shapes, swirls, and certain features. The neutral colors on the edge give this rug a natural look with the bold color of red in the center. Place this rug in your ideal room to give it the vibe you were looking for. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 10x10 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## FUN-FILLED RUG

A fun and playful rug that you and your whole family will absolutely love. With all of the colors and shapes, there is no doubt that this rug will always get your attention. Set this rug in a room that will get a lot of traffic because it will always put a smile on anyone's face. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 9x9 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area.

## DEEP MYSTIC RUG

This dim and mystical rug will be the ultimate statement in your home. The dark and daring border proclaims leaves and nature-like designs surrounding the base color of olive green in the center. Charm up your living room decor with this accent piece to complete your style, or give your own bedroom a nice change. The hand knotted design results in loose vertical threads creating the fringe. This organic Persian fine yarn was made for appreciation of beauty right to your home. With the 9x9 measurement, and 10 mm in pile height, your new rug will fit nicely in any chosen area
